

OEIS

Where Are We Going

Gerald A. Niedzwiecki, MD FSIR
Founder - Advanced Imaging &
Interventional Institute

What Have We Accomplished

- Advocacy remains strong
 - Proposed rule cuts
 - CMS meeting and PE input correction
 - Averted a 30-40% cut and realized an actual increase in payments for endovascular in the office
 - PA DOH
 - Florida Proposed legislation
 - LA proposed legislation
 - Fund Raiser Rep. Bilirakis

What Have We Accomplished

- Registry enhanced and updated
- Membership application streamlined
- Website updated

CVC membership

Support PAC

Goals

Re-define Who We Are

- As the OUTPATIENT Endovascular & Interventional Society
 - Embrace ALL outpatient locations including ASC's and outpatient hospital settings
 - While ensuring OBL remains a prime focus

Establish OEIS as The Patient Advocates in the outpatient setting ensuring safety and quality in the Office, ASC, *and* Hospital settings

Grow Membership

- Our voice is strongest when we represent a large constituency

Grow Membership

Engage and educate our potential future members

Med student/resident/fellows section

Dedicated teaching and development of educational content and opportunities

Engage Volunteers

- Build volunteer opportunities
- Provide infrastructure for our volunteers to be successful

Elevate our Advocacy

Secure a position at CPT and the RUC

New Registry Modules

OEIS

Serving our members interests by
safeguarding patient quality and
outcomes in ALL outpatient settings
